DESIGN + NATURE + LIFESTYLE

HOMES

Character and liveability come together in refined semi-detached homes fronting the award-winning Ridge course. Ground-oriented layouts with oversized balconies and patios that meld outdoor and indoor space into one expansive living area. A dramatic statement of thoughtful design and forward-thinking style.

DESIGNED FOR MODERN LIVING.

Fully-appointed kitchens give you plenty of room to dine, live, and entertain. Exacting attention to materials and design details offer bold living spaces that are as pleasurable to look at as they are to live in.

Soft colours and natural materials create a quiet refuge from the everyday. Luxury design touches such as freestanding soaker tubs and stone tilework project a quiet elegance and tasteful, harmonious style.

WHERE NATURE AND HOME COME TOGETHER.

Bring the outdoors in.

Expansive rooftop terraces blur the line between indoors and out. Take in the panoramic views. Enjoy the sunset with friends and family. Forge a connection with the epic beauty of this unique landscape.

A well-coordinated design vision coupled with quality craftsmanship create an attractively upscale look that remains warm and approachable. At the same time, practical design touches make for an exceptionally liveable space.
